REGISTRAR OF THE LCIA-MIAC ARBITRATION CENTRE

The LCIA-MIAC Arbitration Centre is seeking a new Registrar.

The LCIA-MIAC Arbitration Centre (LCIA-MIAC) was established in 2011, with the support of the Government of Mauritius and the London Court of International Arbitration (LCIA). It has quickly established itself as a leading African arbitral institution.

LCIA-MIAC provides, from its headquarters in Mauritius, the same extensive range of dispute resolution services as the LCIA in London, for the benefit of parties doing business in and through Mauritius, in the African region and beyond.

The Registrar is the head of the secretariat of LCIA-MIAC. Based in Mauritius and reporting to the Board of Mauritius International Arbitration Centre Limited (MIAC), the Registrar is responsible for the administration of arbitrations and mediations under the LCIA-MIAC Arbitration Rules and the LCIA-MIAC Mediation Rules, and other cases under the UNCITRAL Rules, other rules or ad hoc cases.

With the support of the Board of MIAC, the LCIA Court and the LCIA, the Registrar is also responsible for developing and promoting international arbitration in Mauritius and the LCIA-MIAC Arbitration Centre, and for running the LCIA-MIAC secretariat’s offices.

The role of Registrar will require extensive foreign travel and a high level of commitment to the continued development of Mauritius as a seat for international arbitration and of LCIA-MIAC as a major arbitral institution in Africa. In the run up to ICCA Mauritius 2016 (which will take place from 8-11 May 2016), the tasks of the Registrar will include promoting and organising the ICCA Mauritius 2016 Congress.

The successful candidate for this challenging, demanding and high-profile role will be highly motivated, independently minded and a qualified lawyer with a minimum of five years’ post-qualification experience and significant experience of arbitration. Full professional fluency in English is required. Professional fluency in French is highly desirable.

A competitive salary in the region of MUR 4,000,000 (approx. EUR 100,000) p.a. will be offered. Additional benefits, including healthcare, may be offered.

Applications by email enclosing CV to recruitment@lcia-miac.org.

The closing date for applications is 23 July 2015.
